Mysore Economic Conference,
Bangalore, 11th December 1912.

My dear sir,

I beg to state that in the course of the deliberations of the Special Committee (appointed by the Conference for the imposition of fresh taxes) on December 7, 1912, there was a discussion on the advisability of levying a duty on imports and exports. Some of the members, and especially the Chairman Dewan Bahadur K.P.Puttanna Chetty, had doubts as to whether the Mysore State had according to the Instrument of Transfer or any understanding arrived at, the power to levy such duties. The Committee asked me to obtain precise information on the subject.

May I request you therefore to be so good as to order the connected files, if any, to be sent to me for reference and return or- it would suffice if definite information is made available on the point above
